

Fort Worth Regional Science and Engineering Fair Display Guidelines

Does your display have any of the following disallowed items?

	Yes	No
1. Living or previously living plants, animals, or parts of these are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
2. Chemicals of any kind (this includes water) are not permitted, except when it is an integral part of your display and not opened.	<input type="checkbox"/>	<input type="checkbox"/>
3. Weaponry or supplies for weapons of any kind are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
4. Flammable material of any kind are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
4a. Equipment used to make flames is permitted but may not be operated at the fair.	<input type="checkbox"/>	<input type="checkbox"/>
5. Any objects with sharp edges are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
6. Batteries with open top cell are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
6a. Closed cell batteries are the only acceptable form of electrical power.	<input type="checkbox"/>	<input type="checkbox"/>
7. Awards, certificates, business cards, flags, or medals are not permitted to be part of the display.	<input type="checkbox"/>	<input type="checkbox"/>
7a. Medals may be worn by the participant at the fair, but may not be left at the display.	<input type="checkbox"/>	<input type="checkbox"/>
8. Photographs or other visual presentations depicting vertebrate animals in surgical techniques, dissections, necropsies, or other lab procedures are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
9. Active internet or email connections are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
10. Unsealed soil or waste samples are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
11. Class III or IV laser are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
12. Equipment requiring electrical power may be brought in, but electrical connectivity will not be provided by the science fair.	<input type="checkbox"/>	<input type="checkbox"/>

If you have any of the items listed above that are not allowed on the display please take it with you after you have completed setting up your display.

All equipment that is not allowed will be taken away and disposed of by the Science Fair staff.

Please sign below and leave on the table.

Does your display have any of the following disallowed items?

	Yes	No
1. Living or previously living plants, animals, or parts of these are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
2. Chemicals of any kind (this includes water) are not permitted, except when it is an integral part of your display and not opened.	<input type="checkbox"/>	<input type="checkbox"/>
3. Weaponry or supplies for weapons of any kind are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
4. Flammable material of any kind are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
4a. Equipment used to make flames is permitted but may not be operated at the fair.	<input type="checkbox"/>	<input type="checkbox"/>
5. Any objects with sharp edges are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
6. Batteries with open top cell are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
6a. Closed cell batteries are the only acceptable form of electrical power.	<input type="checkbox"/>	<input type="checkbox"/>
7. Awards, certificates, business cards, flags, or medals are not permitted to be part of the display.	<input type="checkbox"/>	<input type="checkbox"/>
7a. Medals may be worn by the participant at the fair, but may not be left at the display.	<input type="checkbox"/>	<input type="checkbox"/>
8. Photographs or other visual presentations depicting vertebrate animals in surgical techniques, dissections, necropsies, or other lab procedures are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
9. Active internet or email connections are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
10. Unsealed soil or waste samples are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
11. Class III or IV laser are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
12. Equipment requiring electrical power may be brought in, but electrical connectivity will not be provided by the science fair.	<input type="checkbox"/>	<input type="checkbox"/>

If you have any of the items listed above that are not allowed on the display please take it with you after you have completed setting up your display.

All equipment that is not allowed will be taken away and disposed of by the Science Fair staff.

Please sign below and leave on the table.

3. Weaponry or supplies for weapons of any kind are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
4. Flammable material of any kind are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
4a. Equipment used to make flames is permitted but may not be operated at the fair.	<input type="checkbox"/>	<input type="checkbox"/>
5. Any objects with sharp edges are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
6. Batteries with open top cell are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
6a. Closed cell batteries are the only acceptable form of electrical power.	<input type="checkbox"/>	<input type="checkbox"/>
7. Awards, certificates, business cards, flags, or medals are not permitted to be part of the display.	<input type="checkbox"/>	<input type="checkbox"/>
7a. Medals may be worn by the participant at the fair, but may not be left at the display.	<input type="checkbox"/>	<input type="checkbox"/>
8. Photographs or other visual presentations depicting vertebrate animals in surgical techniques, dissections, necropsies, or other lab procedures are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
9. Active internet or email connections are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
10. Unsealed soil or waste samples are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
11. Class III or IV laser are not permitted.	<input type="checkbox"/>	<input type="checkbox"/>
12. Equipment requiring electrical power may be brought in, but electrical connectivity will not be provided by the science fair.	<input type="checkbox"/>	<input type="checkbox"/>

If you have any of the items listed above that are not allowed on the display please take it with you after you have completed setting up your display.

All equipment that is not allowed will be taken away and disposed of by the Science Fair staff.

Please sign below and leave on the table.
